Under Old Business:

\*Maintenance of the grounds.

Discuss the county weed grant and their mapping out of the property.

Mowing two times and revisit the bids in the spring (for the new board).

Seed after a frost we have 3#'s to apply where needed.

Spraying weeds in the spring.

\*Fine schedule.

Mailed out.

Find out if it is on the website.

\*We would want to revise the budget and change the figures to reflect the new numbers.  
Newly revised budget to hand out or send with billing in December.

\* Noah's letter with the password for the website.

\*Elections: all positions but 2 board members.

Once the new officers take over:
